Planning your journey
Metlink's journey planner will help you find out which train, tram or bus to use on your journey.

You can use the journey planner at metlinkmelbourne.com.au to help you plan your trip from A to B using public transport. Alternatively, visit the Melbourne Visitor Centre at Federation Square and use the journey planner in the *Getting around lounge*.

EXPLORE Melbourne

on train, tram and bus

This map is designed to help you use Melbourne's trains, trams and buses to travel around to the city's best attractions, sporting venues and shopping precincts.

Follow these two easy steps to find the public transport services you need

Step 1. Look under the index of localities for the attraction that you wish to travel to.

Step 2. Find the location on the map by using the reference number beside the attraction name. You can then see the public transport services available to the required attraction.

For train, tram or bus information visit metlinkmelbourne.com.au or call Metlink on 131 638
