

North East Link works

As part of major works to connect the M80 Ring Road to the North East Link tunnels and upgraded Eastern Freeway, crews will work around-the-clock to extend the rail tunnel in Watsonia.

We're also upgrading almost five kilometres of rail tracks and signalling between Macleod and Greensborough stations to make train services safer and more reliable on the Hurstbridge Line.

Other road works in the area

We'll be also be working on the M80 Ring Road, Greensborough Bypass, Greensborough Highway, Greensborough Road and Lower Plenty Road throughout February and March.
